**Growth Goal 1:** Increase our High School students' proficiency in Algebra 1  
(*School Growth Area #5 - Mathematics- Student applies mathematical principles and operations to solve problems.*)

**Rationale:** 90% of High School students scored basic or below on the STAR CST EOC for Algebra 1 in 2009  
33% of our students in 2009 came to High School not prepared to take Algebra 1, but took remedial math courses instead  
100% of our economically disadvantaged students score basic or below on STAR CST EOC for Algebra 1 in 2009  
SCANTRON math results seem to indicate that our students have higher math ability than they are demonstrating on STAR and CASHEE as in our 9<sup>th</sup> grade  
SCANTRON math results for 2009, 84% scored at or above grade level in math.

---

**Growth Target:** 54.8% of High School students will score basic or above on 2010 Algebra 1 STAR EOC

Growth Goal 4: Increase graduation rate

Rationale: 73.1% Graduation Rate on 2009 AYP

Mobility Chart: Many of the High School students that start with Ocean Grove Charter School move on.

Many come to us in 11<sup>th</sup> and 12<sup>th</sup> grade credit deficient after failing at another school.

17% of 12 graders who had not passed the CAHSEE still did not pass after given the allotted three attempts in 12<sup>th</sup> grade
