

Ocean Grove Charter School

Why choose Ocean Grove Charter School over our competitors?

- ❖ True “Parent Choice” philosophy at all IEM schools that is the basis of every program with continually new options as described in the book by IEM's founder Randy Gaschler, Parent-Driven Schools
- ❖ 15 years experience managing and operating highly successful California charter schools that have collectively enrolled over forty thousand students
- ❖ 13,000 graduates from IEM-managed charter schools since 1993
- ❖ Fully WASC accredited. a-g classes available.
- ❖ Over 800 approved vendors from which to select learning materials and equipment with the highest student instructional materials funding in CA
- ❖ Very Quick ordering and delivery time of all materials—typically within 2 weeks!
- ❖ Very Quick set-up and processing of contract programs experiences—typically within a couple days!
- ❖ Education Specialists that are highly trained NCLB certified credentialed professionals to support and assist you as needed in home based and independent study learning environments
- ❖ We offer competitive ES pay, plus a generous ES-administered educational budget for each student’s educational needs. Much higher than our competitors.
